SUBJECT: PETER JEFFERSON GROTH

Dear Fritz:

A recent check of our Ineligible Volunteer File against the National Eagle Scout Association indicated that the above named individual is presently a member of NESA.

This individual is listed on our Ineligible Volunteer File and will not be permitted to register with the Boy Scouts of America. We wanted you to be aware of this, so that the individual cannot participate in any activities with the council, simply because he is a member of NESA. He should not participate in any leadership capacity or assume any responsibility in the Boy Scouts of America. He could participate as a parent if he has a son or daughter involved.

We wanted to make you aware of this, so you would not involve him. Let us know if you have any questions.

Sincerely,

Paul Ernst, Director  
Registration and Statistical Service

Dear Mr. Groth:

On November 21, 1990 a review committee comprised of volunteer members of the Executive Board of the National Council of the Boy Scouts of America conducted a review of the denial of your registration in the Boy Scouts of America.

Please be advised that it was the decision of this review committee to uphold the action of the Regional Review Committee in denying your registration.

Cordially,

Ben H. Love

CONF005805

May 24, 1990

PERSONAL & CONFIDENTIAL

Mr. Chief Scout Executive:

The action taken by the Standards of Leadership Committee that deny my membership in the Boy Scouts of America on the Regional level is in my opinion incorrect and it is my sincere hope that you can remedy the situation. The basis for their decision on the status of my membership is in my opinion misguided at best due to the lack of all the facts. The initial notice that my membership in the Boy Scouts of America was in question came from the local council, the notice was that I was suspended and the only appeal that could be made was to the Region and it seems that they too are convinced that I am guilty of some crime. The charges that have been brought against me are still unknown to me and I can only guess that the item of concern is a letter that I wrote to a friend. I am not clear on the exact passage or even if this is the object of the item of concern, however the denial of my membership is not warranted. I am a student at a private Christian college in Grand Rapids Michigan and quite removed from my home council in Kalamazoo Michigan, so when the council that I have had minimal contact with of late informs me that my moral character is not fit for Scouting you can imagine my chagrin. I am also an Eagle scout, in the past eight years I have served my troupe as everything from quarter master to the office of Assistant Scoutmaster and in all the time I have enjoyed in scouting there has never been a complaint against my morals, in fact there has been much of the contrary. I was also involved with the Order of The Arrow I am a Vigil Honor member and have spent an innumerable amount of hours in the service of others with no complaints and several awards for my outstanding service.

As is clearly visible by what I have disclosed to you my moral character is far from questionable and I ask you to look into my past in Scouting and find that the truth is far different than the findings of both council and region.

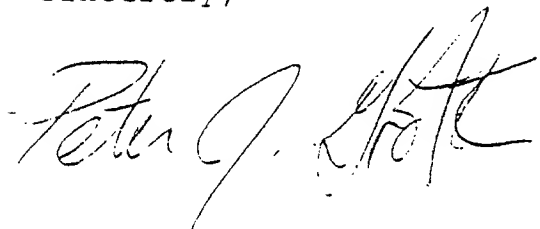

CONF005806

I understand that the workings of the National Committee is often much longer than that of the more local committees and I welcome the action of the committee. If there is any need for any further information I may be reached at the following address until the 21 of August after which I will be available at the college address that is already in your files.

  
Marshall MI 49068

Thank you for your time and I hope to be in communication with the National Committee shortly.

Sincerely,

May 1, 1980

Dear Mr. Groth:

The Standards of Leadership Committee of the East Central Region, Boy Scouts of America met on Wednesday, April 25, 1980 in Naperville, Illinois to consider the action taken by the Southwest Michigan Council, denying you application for membership in the Boy Scouts of America.

Mr. Peter Groth  
[REDACTED]

Grand Rapids, MI 49546

Dear Peter:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that B.S.A. membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the B.S.A. seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a B.S.A. member should be granted or reinstated. The procedures for review are attached.

Sincerely,

F. W. Freund

[REDACTED]  
Kalamazoo, Michigan 49008

DEAR Mr. Freund:

Following our telephone conversation this morning I am enclosing the letter my son [REDACTED] recently received from Peter Groth. As I mentioned to you on the phone, [REDACTED] told me that Groth had mentioned to him that he took nude photos for some competition that he had entered, but he had not specifically asked [REDACTED] to pose nude. Based on the content of the letter I'm sure that would have happened if he went up to Calvin.

As luck would have it, Groth called her tonight to ask for [REDACTED]. I asked him about the letter and he said that he did work with photographs. In the area, he did do nude photos but [REDACTED] wasn't of age yet to pose nude photos.

As I mentioned on the phone [REDACTED] and I feel we have an affirmative responsibility to meet the Scout's own

of this pervert. Scouting offers so many positive experiences that I believe we must aggressively address these situations when they arise.

I would ask one favor. Based upon the contents of the letter, [REDACTED] counsel with Groth and mine. I would like to know the final outcome, or at least when a decision has been reached. [REDACTED] is in O.A. and was planned to be a course this summer. Obviously these plans will change if Groth is still affiliated with the Scouts.

[REDACTED] and I will be available to answer any questions you may have.

if! - Here is all you "need to know" about what  
Friday (Feb. 9) I will meet you and your parent(s) at  
5:00pm at the College Center - this is the large building that  
contains frozen Auditorium and all of the business offices. - I  
plan to see you in the entry (first floor ~~entrance~~ reception  
area) this is located just off the circle drive of the Center.  
You should plan to bring enough clothes for Saturday + Sunday  
and something relatively nice for Sunday if you want to  
go to church (the church we will go to is very liberal - a nice sanctuary  
and some casual pants are more than fine). you should also bring  
a sleeping bag and a pillow - as for money bring only some  
pocket change - meals are provided by me in the fine Knollwood  
staff (linka) well, if you forgot to write it down the way  
you go here is I-94  exit -  
MAKE SURE to take the WEST exit it will be the first  
one that you come to on the freeway. From there take  
twenty eight that to East Baltimore - you will turn Right  
into East Baltimore the college is about two and a half to  
three miles down East Baltimore - You can't miss it. (Big signs on the  
Right - The College is also on the Right) well, I guess that  
that's about it - see you soon ...

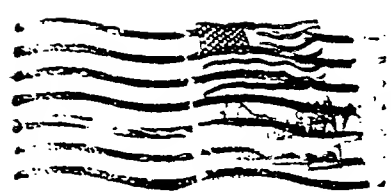

The purpose of the first letter was reminding me  
to show the folks. All of the things that I said are  
true especially the directions. However I need you  
to bring a few other things than I listed. Please  
bring your black ~~camera~~ something light and  
and an open mind. The place that I have found  
to shoot the pictures is back from the inside and  
so we use it at night. Look I won't make you  
be anything - I will ask you to do a few things  
that aren't that bad - mostly poses that are  
not that bad. Really. I have a friend who probably  
can find us some party action on Saturday Night so be  
ready to Rock + Roll. I really would appreciate  
it if you would help me with the photography -  
the ~~shots~~ shots are judged strictly on composition  
not on the subject. The photos are all confidential so  
don't worry about that - I have lots of fun other stuff  
planned and I hope that you will like it. If there  
is anything that you want me to try to set up  
for you ~~before~~ for your visit - please ask. I will  
do my best - I can get you just about anything -  
except of a fake (ha ha). so I hope you will  
have a good time.

Dear Fritz:

I know we have discussed the above named individual on a couple of occasions and you indicated a letter would be sent to him suspending his registration. So far, I do not find a copy of that letter in my file.

I would like a copy of the letter that [REDACTED] received if you have that, so we have this for our file. This would help to strengthen us in our refusal of registration at a later time.

I am enclosing an Ineligible Volunteer Record Sheet which I would like to have completed so we can identify Mr. Groth. Please complete this with any information you have available. Thanks so much for your help.
